- 1. The armor plate factory at Chorzow (Q51/Y57); west of Matowice in Polish Silesia, now employs about 5,000 workers and is operating at full capacity. Casual sources, who locate the factory as near the Chorzow Market Place and Ulica Vyzwolenic, claim that a large part of the output is being shipped to the USSR.
- 2. The powder factory at Laziska-Brada, several km. south of Mikolow (Q51/Y56), is also said to be working at full capacity.
- 3. The underground munitions factory at Knurov (Q51/Y36), what of Katowice and near the former German-Polish border, chiefly engaged on the manufacture of hand-grenades.
